

The logo features a central circle divided into four quadrants of different colors: green (top-left), red (top-right), blue (bottom-left), and orange (bottom-right). Each quadrant contains a complex, fractal-like pattern of concentric, overlapping semi-circles that create a sense of depth and movement. The text "HOLO-GRAPHIC QCD 2019" is centered over the circle in a bold, black, sans-serif font.
